**REQUEST FOR REPLACEMENT OFFICE ACTION
AND RESET OF THE STATUTORY PERIOD FOR RESPONSE****Mail Stop Amendment**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

December 20, 2010

Sir:

In the Office Action dated December 6, 2010, the Examiner rejects pending claims 30-31 under 35 U.S.C. §103(a) as being unpatentable over "Gavrila (20020026592) in view of Drummond in further view of Applicant Admitted Prior Art (AAPA)." However, the Examiner does not include a patent number or publication number for Drummond, and does not discuss Drummond in the more detailed discussion of the rejection. In addition, no reference to Drummond has been previously included in a Form PTO-892 or Information Disclosure Statement.

Accordingly, it is respectfully requested that the Examiner issue a replacement Office Action clarifying the §103 rejection, and resetting the statutory period for response to begin with the mailing date of the new Office Action.

Respectfully submitted,
BRUNDIDGE & STANGER, P.C.
